Decision of the Independent Liquor & Gaming Authority

Application for a new hotel (full) licence with extended trading authorisation – The Meadowbank Hotel

We **partially approve** the application above under section 45 and 49(2) of the *Liquor Act 2007* — with the conditions set out in Schedule 1. The 6-hour closure period overrides any condition of the licence.

McKell Building, 2-24 Rawson Place Haymarket NSW 2000 | GPO Box 4012 Sydney NSW 2001
office@ilga.nsw.gov.au | ilga.nsw.gov.au | ABN 42 496 653 361

The partial approval relates to the request to trade until 02:00 AM (Monday to Saturday). We approve trading until 12:00 AM only due to the premises being a new hotel.

Approved manager or individual licensee

The licence cannot be exercised until the Authority or Liquor & Gaming NSW is notified that:

- the licence is transferred to an individual licensee, or an approved manager is appointed; and
- the licensee or approved manager is a suitable and qualified person.

Statement of reasons

We are satisfied that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Our main findings

The local community for the purposes of this decision is Meadowbank. The broader community is the Local Government Area (LGA) of Ryde.

Positive social impacts

The Authority noted that the applicant seeks to operate a new hotel (full) licence with extended trading authorisation.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

Negative social impacts

We note the objection received from NSW Health and accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the:

- proposed premises being located in a high-density crime hotspot for domestic assault and malicious damage to property, and located in a medium density hotspot for non-domestic assault
- rate of alcohol-attributable hospitalisations in the LGA being higher than in NSW.

However, we are satisfied that these risk factors are reduced by the:

- proposed premises not being located in a crime-density hotspot for alcohol-related assault
- crime rates in the suburb and LGA for all categories we considered being lower than in NSW
- proposed premises being the first hotel licence in the suburb
- hotel saturation in the LGA being lower than in NSW
- rate of alcohol-attributable deaths in the LGA being lower than in NSW
- Socio-Economic Indexes for Areas (SEIFA) data indicating an above average level of socio-economic advantage and disadvantage in the suburb and LGA compared to other communities in NSW
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a Statement of Risks and Potential Effects
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response to them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

Opportunity for review

The applicant and anyone who was notified of the application and made a submission, may apply to [NCAT](#) for a review of the decision.

An application for review must be made no later 28 days after the decision is published on the website. There is a fee to lodge the application.
