**Decision of the Independent Liquor & Gaming Authority
Application for a new packaged liquor licence – Hanaromart Penrith**

We **approve** the application above under section 45 of the *Liquor Act 2007* (Act) — with the conditions set out in Schedule 1.

Trading on a Sunday that falls on 24 December

If a Sunday falls on 24 December, the premises must not trade earlier than 10:00 am.

Mixed-use checkouts must be closed outside licensed hours

Under section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

Statement of reasons

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community.

The decision achieves the aim of the Act to regulate the liquor industry to meet the community's expectations, needs, and aspirations, while also promoting a balanced and responsible development of the industry.

Our main findings

The local community for the purposes of this decision is Penrith. The broader community is the Local Government Area (LGA) of Penrith.

Positive social impacts

The applicant seeks approval to operate a small liquor sales area that sits wholly within an existing Asian supermarket known as 'Hanaromart Penrith', which is located within the Westfield Penrith Shopping Centre.

The licence hours align with the trading hours of the shopping centre, providing customers with the opportunity for one-stop shopping

The proposed premises would be restricted to the sale of liquor produced in China, South Korea, and Japan as well as sake.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the:

- crime hotspots identified in Penrith (classified as medium-density) across all categories usually considered by the Authority
- higher crime rates in Penrith for incidents of alcohol-related domestic assault, alcohol-related non-domestic assault and malicious damage compared to NSW
- higher crime rates in the Penrith LGA for incidents of malicious damage to property compared to NSW
- higher saturation rates of packaged liquor licences in Penrith compared to NSW
- indication of a below average level of relative socio-economic advantage and disadvantage in Penrith.

However, we are satisfied that these risks are reduced by the:

- lower crime rates in the Penrith LGA for incidents of alcohol-related domestic assault, alcohol-related non-domestic assault and alcohol-related disorderly conduct compared to NSW
- lower crime rates in Penrith for incidents of alcohol-related disorderly conduct compared to NSW
- indication of an average level of relative socio-economic advantage and disadvantage in the Penrith LGA.
- applicant consenting to a condition which restricts the sale of liquor at the proposed premises to Asian specialty liquor products
- proposed premises being located within a shopping centre
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities

- stakeholder submissions and the applicant's response them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

This decision will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
